Scheduled delivery coordination covers tracking, storing, and mailing cards on different dates as requested by the organization. Cards are not assumed to ship at the same time.

Bulk Shipment – Cards are printed and shipped together to one location. Up to 5 designs allowed

Forever card includes a keepsake greeting card with a scannable QR code that plays a personal video or voice message whenever scanned

Thoughtful, personal cards – sent exactly when they matter most

Disclaimer: Scheduled delivery dates are based on the information provided by the customer. We do our best to ensure timely mailing, but actual delivery depends on postal service conditions. We are not responsible for delays caused by third-party carriers
